The theme for Miku Expo Europe was really inspiring. I did my best to mix the anime style with traditional contemporary painting. Van Gogh was a big inspiration for these illustrations. I had so much fun!

HATSUNE MIKU EXPO 10th Anniversary

Thanks to the support of fans worldwide, virtual singer Hatsune Miku's world concert tour series "HATSUNE MIKU EXPO" celebrated its 10th anniversary on May 28th, 2024.

Starting in Jakarta, Indonesia on May 28th, 2014, this event has since traveled to 39 cities around the globe, performing a total of 100 shows, including online concerts.

While the world was in lockdown during the COVID-19 pandemic, "HATSUNE MIKU EXPO 2021 Online" was first held in 2021. The next year "HATSUNE MIKU EXPO Rewind" was also held online as a look back on all past concerts, and in 2023 "HATSUNE MIKU EXPO 2023 VR" was streamed for free.

Even when the tour could not directly visit fans, MIKU EXPO continued to bring Hatsune Miku's voice to everyone across the world. MIKU EXPO finally came back as a real live show in April 2024, and we will continue to expand the world of Hatsune Miku for another decade!

Throughout the changing times, "HATSUNE MIKU EXPO" has brought people together to the universal songs of Hatsune Miku. The 10th anniversary year's theme is "Universal Positivity," a throwback to the original theme in 2014.

Crypton Future Media, INC. CEO **Hiroyuki Itoh**

It was the fans' voices that inspired us to come up with the idea of MIKU EXPO 10 years ago. The video of Hatsune Miku's live concerts such as "39's Giving Day" and "Magical Mirai" that started in Japan, spread around the world via YouTube, etc., and as a result, we received many inquiries about international concerts from people all over the world. In response to that call, the "Help Us Find You!" campaign was launched to find out which cities had the most requests. We decided to go to the city that received the most votes. As a result of the vote, the concert was held in Jakarta, Indonesia on May 28-29, 2014. This was the beginning of the history of HATSUNE MIKU EXPO (also known as

MIKU EXPO). In addition to the live concerts, MIKU EXPO has implemented a variety of events and projects to introduce many people to the creative culture that Hatsune Miku has triggered. Although what we can do is limited depending on the host city, we have organized exhibitions, art galleries, and collaborations with local companies and creators.

During the COVID-19 pandemic, we held an online AR concert, a concert film edited with unreleased footage from the past, and a VR concert using the digital technology of Hatsune Miku and the help of crowdfunding. I'm very proud that we have always been able to continue to have a MIKU EXPO every year for the past 10 years, even during the COVID-19 pandemic. We are grateful to all of the creators and fans around the world who support us. Thank you so much! I would also like to thank our Crypton staff members from throughout the years. MIKU EXPO will be held as an offline concert for the first time in 4 years this year. We hope that you will celebrate this MIKU EXPO with us, a commemoration of its 10th Anniversary with everyone around the world. I hope that you will continue to follow the creative culture that Hatsune Miku has brought so that MIKU EXPO will keep going into the future.

MIKU EXPO 10th Anniversary Theme Song

Intergalactic Bound

by Yunosuke & CircusP feat. Hatsune Miku

Music : Yunosuke / CircusP

Lyrics : CircusP

Arrangement : Yunosuke

MV Director & Animator : Tanaka Masaaki

C'mon, I feel like there's something about this song
It's like we knew how it'd go all along
So put down your worries and raise your cups
There's nowhere to go but up

Let's dance!

With a rhythm from New York to Japan

Know you'll never be alone

At first glance we're miles away

But our hearts are connected

Through these soundwaves

Nothing but up, up, up (yeah)

Cut through the clouds

Nothing but up, up, up (yeah)

We're never coming down

Jump, jump without a doubt

Nothing but up, up, up (yeah)

Intergalactic bound

Whoa Oh, Whoa Oh Oh (Hey! Hey!)

Intergalactic bound

Whoa Oh, Whoa Oh Oh (Hey! Hey!)

Intergalactic bound

If you're an oldie

Or fresh on the scene (uh huh)

Come put your lights up

We'll make a wave of green (woo!)

Bridge the beginning

To us all here and now (uh huh)

Just take a deep breath

And let me hear you shout! (yay!)

Let's groove with the static in the air

A breakthrough that can bring us anywhere

It's your move so take the lead

From the crowd to the stage

What sights can we see?

Nothing but up, up, up (yeah)

Cut through the clouds

Nothing but up, up, up (yeah)

We're never coming down

Jump, jump without a doubt

Nothing but up, up, up (yeah)

Intergalactic bound

A thousand little voices sing

It's a fiesta from now on

With our playthings always by our side

To help us make this song

Through the dark of the night

I know we will be alright

There's a universe of positivity

Beyond the sky

Ten thousand of the stars

They will keep on burning bright

With this light held between you and I

Nothing but up, up, up (yeah)

Cut through the clouds

Nothing but up, up, up (yeah)

We're never coming down

Jump, jump without a doubt

Nothing but up, up, up (yeah)

Intergalactic bound

Whoa Oh, Whoa Oh Oh (Hey! Hey!)

Intergalactic bound

Whoa Oh, Whoa Oh Oh (Hey! Hey!)

Intergalactic bound
